

Building Permit Applications

To expedite your application process, feel free to print and complete the permit application you wish to file and bring it to City Hall for processing. Please be aware that the approval process does take a day or two. If you have any questions regarding any of the applications, feel free to contact Casper Manheim, Building Inspector, at 815-440-2146.

Important Information for Permit Applicants:

- Please contact City Hall for current fees, as they are subject to change.
- Be sure to apply for your permit 1 week prior to starting any work.
- Payment is accepted by check and cash at the time the application is dropped off.
